

Baskets of Hope

We have the best job in the world! When the kids receive a *Basket of Hope* with a Bible, their smiles light up their faces - the entire atmosphere changes as the children's laughter fills the air. This is no small thing as these *Baskets* have gone to places like Ukrainian war-zones and stark institutional orphanages.

The Good News of Christ's resurrection goes forth like a light bringing hope to those in darkness. It is our privilege to share God's Word which never returns void with at-risk children through the *Baskets of Hope* project. Together, we can change their lives for eternity.

This year, SOAR's *Baskets of Hope* project will take place in Russia and Abkhazia. Also, if enough *Baskets* are sponsored, we will take *Baskets* with Bibles to at-risk children in Moldova and Ukraine. We need at least 1,000 *Baskets* sponsored in order to have enough to go to these nations.

This Easter, please consider sharing the Good News of Christ's resurrection by sponsoring a *Basket* with a Bible. Russian Orthodox Easter is the most significant religious holiday in the region and takes place on May 5th this year.

Priority Project:
Baskets of Hope

SOAR's *Baskets of Hope* project shares our hope in Jesus with those who have never heard the Good News. This year, we need at least 1,000 *Baskets* with Bibles to take into Russia, Abkhazia, Moldova, and Ukraine. That is 1,000 children whose lives could be changed for all eternity.

Please prayerfully consider sharing Christ with a child through *Baskets of Hope* here: soarinternational.org/BOH
