

MISS BECKY'S BULLETIN

What's Happening with Miss Becky ?

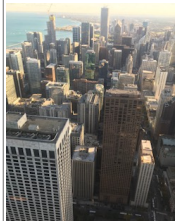

WOW, where has 2018 gone!! I hope you had a Merry Christmas and a Happy New Year.

It has been a very busy and productive end of 2018 and start to 2019.

In October, I went to Chicago and Canada. In Chicago I had the awesome opportunity to attend a mission

Games with Miss Becky

- How many trips has Miss Becky been on with SOAR?
- What does BOH stand for?

conference at Moody Bible Institute. It was so much fun getting to know other missionaries and meeting so many great students. I also went to Chick-fil-a for the first time! :)

In Canada, I had the opportunity to visit my home church, and see friends and family. I also had the chance to speak to two awesome groups about what I am doing at SOAR.

Once again whoever is the first one to get in touch me via email, text, phone call or in person will win a prize !!! Thanks for playing along with me. I love doing these games!!

What's Happening with Miss Becky (continued)

During November and December I was busy working on the Stuff-a-Stocking project. Then, in January I had the opportunity to take a team to Russia for this project! What a

privilege and blessing it was to minister in Russia. Please pray for the children who received a stocking, as well as their caretakers.

What's Happening at SOAR:

We just got back from spending 12 busy days in Russia, so now I am in the process of wrapping up this project. Next on my agenda is all the legwork for the Baskets-of-Hope project. Please pray as our team prepares for this important ministry.

If you would like some information on how you or your church/school can get involved with Baskets-of-Hope please don't hesitate to contact SOAR International Ministries.
