Bringing Hope.

Sharing Christ in Russia and Abkhazia. March 2025

Baskets of Hope

This year, SOAR's *Baskets of Hope* project will take place in Russia, Abkhazia, Moldova, and Ukraine. Together, we will take the hope of Jesus Christ to children and youth experiencing hardship and difficulties. Some are refugees or orphans while others live in war zones or poverty.

A SOAR outreach team will be heading to Moldova and possibly Ukraine in April for the project. Our goal is at least 1,500 *Baskets* sponsored to reach these precious children and youth.

This Easter, please consider sharing the Good News of Christ's resurrection by sponsoring a *Basket* with a Bible. Find out more and how to give to the project at soarinternational.org/BOH.

Priority Project:
Baskets of Hope

SOAR's *Baskets of Hope* project shares our hope in Jesus with those experiencing tremendous hardship. This year, we need at least 1,500 *Baskets* with Bibles to take into Russia, Abkhazia, Moldova, and Ukraine. That is 1,500 children whose lives could be changed for all eternity.

Please prayerfully consider sharing Christ with a child through *Baskets of Hope* for $40 per Basket here: soarinternational.org/BOH
