Bringing Hope.

Sharing Christ in Russia and Abkhazia. May 2024

Baskets of Hope Distribution

You have all been incredible! Over 1,000 *Baskets of Hope* with Bibles were sponsored allowing us to take the hope of the Gospel to at-risk children in Russia, Abkhazia, Moldova, and Ukraine. We praise God and give Him the glory for *Baskets of Hope* and the children that have heard the saving message of Jesus Christ.

SOAR missionaries Wendell and Heather Garrison have returned safely from Moldova and Ukraine after an incredible *Baskets of Hope* outreach. They had an encouraging time with our partners while sharing Christ and were privileged to see the impact of your support for crisis relief for Ukrainian refugees.

Samuel Friedman is a young man from Uzbekistan who is currently serving as a missionary in Gudauta, Abkhazia. After graduating from the Christian University in Moldova, he was invited to serve alongside SOAR partners Roma and Alona in Gudauta. He has proven to be a very valuable asset to their work.

Today, Samuel is responsible in the church for the development of music and youth ministries. Samuel lives on the church property and is ready to continue his ministry there. In order for this to happen, he needs financial support.
