

Baskets of Hope

A huge thank you to everyone who helped make *Baskets of Hope* possible this year. Our goal of 1,500 *Baskets* with Bibles was exceeded with over 1,750 *Baskets* sponsored! What an incredible display of your generosity and God's faithful pursuit of theses precious souls.

A SOAR outreach team lead by Wendell and Heather Garrison traveled to Moldova last month sharing *Baskets of Hope* and the Good News of Christ. Meanwhile, our partners also distributed *Baskets* with Bibles in Russia and Ukraine.

Bridge of Hope Ministries

Bridge Of Hope Ministries, based in Chisinau, Moldova, was co-founded by Oti and Sergei Namesnic. Oti's heart went out to the Ukrainian people experiencing the struggles of war. Their vision was to build a bridge of hope between the brothers in Ukraine and the brothers in Moldova. They bring prayer, encouragement, support, and crisis relief supplies to those in the war-torn areas of Ukraine.

SOAR partnered with Oti and *Bridge of Hope Ministries* three years ago to empower and support them in accomplishing the work of the Gospel in Ukraine. Together, we have spread *Stuff A Stocking* and *Baskets of Hope* to children experiencing incredible hardships due to the war. God has used our partnership to accomplish several crisis relief projects such as installing a bread oven, a generator, and distributing aid.

Unfortunately, due to the political climate, they have lost some of their support for their ministry into Ukraine. Oti is the only full-time staff member and leads a team of dedicated volunteers. SOAR would like to support *Bridge of Hope* along with Oti and his wife Irina and their 2 year-old and newborn daughters: soarinternational.org/bridge.

Kenai, AK 99611

Prayer Requests:

- For *Baskets of Hope* distributions to continue to touch those precious children.
- *Bridge of Hope* and Oti's family.
- Many to watch the documentary.

Praises:

- Children reached through *Baskets of Hope* in Russia, Moldova, and Ukraine.
- Moldova team returned safely.
- The SOAR documentary.

Priority Project:

Bridge of Hope - Oti Namesnic

Oti and *Bridge of Hope Ministries* do incredible work for Christ in Ukraine at great personal cost. Oti travels into extremely dangerous areas of Ukraine for the sake of the Gospel and precious lives, this leaves his wife Irina, their two year old and newborn daughters at home during those trips.

We would like to encourage and support them by helping with finances and rent. SOAR would like to provide this young family and *Bridge of Hope Ministries* with ongoing monthly support.

One month of rent for their apartment is $250. Besides living expenses, Oti also has travel and ministry expenses. Please prayerfully consider supporting this family and their ministry at *soarinternational.org/bridge*.
