Bringing Hope.

Sharing Christ in Russia and Abkhazia. June 2024

We are excited for the upcoming summer camp season and the impact these camps will have on the campers. Every year, SOAR comes alongside our partners to encourage and equip them to host summer Bible camps to reach the next generation. Together, we can bless children in Russia, Abkhazia, Moldova, and Ukraine with fun, healing memories and powerful encounters with God's Word.

Please prayerfully consider being a part of what God is doing this season through the Summer Camps 2024 fund: soarinternational.org/BibleCamps2024.

Bibles

While in Moldova, Wendell and Heather Garrison had the opportunity to distribute Baskets of Hope to the children in a small Turkish community that uses a little known language called Gagauzia. There are only three books written in this language and one of them is the Bible. These Gagauzian Bibles were included in the Baskets of Hope backpacks they received. These Bibles will share the Good News of Jesus and help to preserve their cultural heritage.
