What's Happening with Miss Becky ?

July has been an awesome month. I have the opportunity to teach kindergarten and first grade Sunday school at my home church. These 14 kids are keeping me on my toes but they are an awesome group!

I had the chance to take a friend from Bahrain to Seward, Alaska (about 2 hrs from me) on a boat ride. It is always breath taking and I stand in awe of God's amazing creation.

Another praise!! For those who live in Canada and want to support me. I am excited to share that I have set up an account with The Great Commission of Canada who will channel your support to me. Go to anna@gcfcanda.com or contact me for more info.

Look at my support pie chart on the back side of this page it has changed!!! Thank you so much for the additional supporters that have come on board to support me!! God is sooo good. Only 12% left !

Interesting Fact about Russia:

- Russian Mayor of Megion, west Siberia has banned excuses.

What's Happening at SOAR:

We are still in the process of moving into our new office. I am really excited about where God is leading SOAR.

Coming soon we will be starting the SAS (Stuff-a-Stocking) project. If you, your church/school are interested in sponsoring or promoting this awesome project please contact SOAR. I will gladly send you out information on this project.

Just look at her smile!! You could be that person who sponsors a stocking to make another child smile and make their Christmas this year. You will also make it possible for that child to hear the Gospel message.
