

Summer Bible Camps

Summer Camp season is an exciting time of fun and fellowship for young campers. Summer Bible camps are a powerful and transformative time for youth during which they are most open to hearing the truth of salvation in Jesus Christ. Together, we can bless children in Russia, Abkhazia, Moldova, and Ukraine with fun memories and powerful encounters with God's Word.

Every year, SOAR comes alongside our partners to encourage and equip them to host summer Bible camps to reach the next generation. Would you prayerfully consider supporting our Summer Outreach Fund? You can help the fun happen here: soarinternational.org/SummerOutreach.

Garrison's Deputation Trip

SOAR Director, Wendell Garrison and his wife Heather will be taking a three month deputation trip down to the lower 48 states to raise support. Their trip will focus on the North-Western States from Washington to Wisconsin and Colorado. They will be visiting several churches and sharing the SOAR documentary *Bringing Hope*.

Please contact us if you are interested in having them visit your church or hold an in-person showing of the documentary in your area. You can join their support team at soarinternational.org/garrisons.

The Garrisons will be attending a free showing of the documentary at Lake City Community Church - 8810 Lawndale Ave. SW, Lakewood, WA. on June 20th at 6:30pm.
