Games with Miss Becky

- What is the longest word that is typed with only your left hand? (The answer is somewhere in my newsletter)
- Toughest tongue twister English language: SIXTH SICK SHEIK'S SIXTH SHEEP'S SICK! :)

Once again whoever is the first one to contact me via email, text, phone call or in person will win a prize !!! Thanks for playing along with me. I love doing these games!!

What's Happening with Miss Becky ?

I would like to thank everyone for your prayers, financial support and your friendship. It means the world to me, I can't put into words how thankful I am for you.

On May 6th, I will be heading to Russia until the 16th. I am really excited and I would cherish your prayers. I just received an email saying that we will try to see about 600 orphans/caretakers!!!

Winter is finally over :) ! The other day I talked to my sister in Anchorage (about 3 hrs from me) and she said it was snowing hard but, here in Soldotna it was sunny and clear! Just wait 5 minutes and the weather in Alaska will change!

I have been working on getting the Baskets -of -Hope project together. It is great to see how God is going ahead of me, preparing individuals and churches to sponsor Baskets. I am so excited about this annual opportunity, I love seeing the orphans' eyes light up when they receive the gifts. I wish I could bring everyone to Russia with me to experience how God works through the outreach and love on these orphans (If you want to join me sometime just let me know)

Watch for my June newsletter (*stewardesses*) it will contain a report on Baskets-of-Hope and pictures of my trip.

Thank you so much for praying, for your generous financial support and for your friendship.

What's Happening at SOAR:

We are preparing to go to Russia May 6-16, 2019, please be praying for the team.

Our Baskets-of-Hope project is in full swing. It is exciting to see how God is bringing sponsors for the Easter baskets which will be given to orphans in Russia.

Some people have asked why we are going so late, this is because the Russian Easter is April 28.

These are some pictures from last year's Baskets- of -Hope
