

In 2020, SOAR purchased an existing 9,000 sq ft. steel-frame building on the Kenai airport. We are currently in the process of remodeling it to serve as SOAR International Ministries' headquarters. It will include offices and facilities to accommodate a growing staff and provide SOAR with a more efficient base of operations.

Over $300,000 is still needed to complete the remodel and adjacent hangar. Please pray for our SOAR Office Remodel Project and the support needed to complete it. You can support this project at soarinternational.org/remodel.

Renton Team

SOAR is blessed to host a missions team from Renton Bible church in August to assist with the office remodel. We are excited to see what we can accomplish together. This month's special project is to raise funds for building supplies so their time with us is productive.

Please pray for the health and safety of the 10 person team coming in August and that they would be blessed by their time with us. You can help provide building supplies for the work here: soarinternational.org/remodel.

Prayer Requests:

- The SOAR Office Remodel and the support to complete it.
- Missions team from Renton Bible.
- Our partners and the ongoing Summer Bible Camp season.

Praises:

- Partners and the amazing work they are putting into Bible camps.
- A missions team from Renton Bible church coming to help with the remodel in August.

Priority Project:

SOAR Office Remodel

SOAR is in the process of remodeling our current office space into our new SOAR Headquarters. A team from Renton Bible church is coming in August to assist with the construction. We anticipate $8,000 worth of building materials will be needed for their work: soarinternational.org/remodel.

Drywall	$4000
Insulation	$1700
Roofing	$2300
Total:	**$8000**
