THANK YOU FOR SUPPORTING

Thank you for supporting our current projects! Because of you, we have been able to provide the funds to feed the Ukrainian orphans going to Abkhazia for a Bible camp! There they will hear the Gospel message and be taught and disciplined by the local pastor and church. Please pray for them during this time that their hearts will be opened to hearing the love and hope of Jesus.

JULY MISSION UPDATE

June was a busy month for SOAR! It was exciting to see God provide some of the needed funds for the Transition Home's Tractor need in Ryazan, Russia through our local church's VBS program. The kids raised \$907.41! What a blessing they were to raise this money to help other children!

While SOAR's Navajo aircraft was flying for the Bible camps here in Alaska, the left propellor governor failed causing the left engine to overspeed shortly after take-off. Thankfully, the plane managed to turn around and land safely. Praise God for His protection during this incident! Unfortunately, according to the manufacturer, this requires a complete tear down and inspection of the left engine.

Please pray for the upcoming Bible camps in both Ryazan & St. Petersburg in July, as well as the ongoing building projects in Abkhazia. Thank you for your support as we continue to serve together in furthering the Gospel in Russia and Abkhazia.

WOULD YOU PARTNER WITH US?

CURRENT SOAR NEEDS

- 1) Funds for the Navajo plane engine to continue ministry in Alaska.
- 2) Two staff couples, the Kampens and the Thompsons, are raising support to be able to start and continue their work with SOAR. Please prayerfully consider supporting these two amazing couples as they follow God's leading with SOAR.
