

# FOR HIS GLORY.

*Sharing Christ in Russia and Abkhazia.*

*August 2019*

## PRAYER REQUESTS

- SOAR's new staff need prayer & financial support.
- Finances and smooth repairs for the Navajo plane engine.
- The Mahotkin family's health.

## PRAISES

- The Bible Camp for the Ukrainian orphans went very well. Please continue to pray for them as they return home.

## URGENT NEED

While SOAR's aircraft was flying for Bible camps here in Alaska, the left propellor governor failed causing the left engine to overspeed shortly after take-off. Thankfully, the plane managed to turn around and land safely. Unfortunately, according to the manufacturer, this requires a complete tear down and inspection of the left engine and propellor. The cost to accomplish this is about \$16,000 for the engine and an additional \$5,000 for the propellor. This amount includes outside labor and replacement parts that cannot be

reused. This aircraft is vitally important for SOAR's continuing ministry with partners in Alaska well as being available for flights to Chukotka. That means to be able to repair this plane and keep it actively involved in the ministry we need to raise \$21,000. Would you be willing to partner with us in getting this aircraft back in the air so that we can continue its vital role in ministry?

## AUGUST MISSION UPDATE

Thank you for your gifts & prayers. We praise the Lord for His work in the lives of 19 precious orphans from the war zone in Ukraine. SOAR partnered with the church in Abkhazia to bring them there for a two week Bible Camp and they have now returned home. Would you continue praying for them?

International Ministries

**THANK YOU  
FOR YOUR PRAYERS  
AND SUPPORT!**

## WOULD YOU PARTNER WITH US?

Current SOAR need. We need to raise \$21,000 for the repair of our twin-engine Navajo aircraft. Would you give to this need so that the Gospel can truly reach the ends of the earth and continue its vitally important role in reaching rural Alaska and Far East Russia?
