1) General Fund

- Your gift to SOAR's General Fund helps cover critical operating expenses at SOAR. It also allows us to help with the vital needs of our Russian and Abkhazian partners. All year long we assist with kids' Bible camps, building projects, medical needs, travel costs and many other ways to encourage these special pastors. Please consider a gift to SOAR's General Fund this Christmas.

2) Bibles for Russia and Abkhazia

God's Word Changes Lives!

A priority in each SOAR ministry project is getting the Word of God into the hands of those who need it. Help us provide Bibles as part of every outreach we do.

3. Abkhazia Ministry Projects

Throughout the year SOAR funds various ministry projects for the churches in war-torn Abkhazia. Please help us encourage them!

1) Backpacks with School Supplies

Most of the kids in Abkhazia come from very poor families and have no resources to buy school supplies, so SOAR would like to provide backpacks filled with school supplies for them. - \$35 each

2) Chairs for the church in Tkuarchal

In the growing church of Tkuarchal, people sometimes stand for two hours along the walls during the service. With your help SOAR would like to provide additional seating by purchasing 25 chairs for this church.

Chairs - \$50 each

3) Fence for the Church in Gal

Because of the church's location, the Governor of Gal is requiring the church to install a decorative fence along the street in front of the church. Help us encourage this church with funds to build this fence.

Cost of fence - \$1500

There are still tremendous physical needs in Abkhazia. SOAR would like to ship more wheelchairs, clothing and non-perishable food for the churches to distribute. Help us with the cost of purchasing and shipping a container filled with critical supplies to Abkhazia. - \$12,500
Share the cost: \$50/\$100/\$500/\$1000

5) Ultrasound Machine

Abkhazia has a huge shortage of medical supplies and equipment. The country's Minister of Health feels one of the greatest needs is an ultrasound machine and he has asked if the church there could help meet this need. This vital piece of equipment will help the church show Christ's love in a practical way to save lives and meet critical medical needs. - \$10,000
Share the cost: \$50/\$100/\$500

4. Orphan Camp

Each Summer SOAR partners with churches in Abkhazia to host a group of orphans from the war zone in the Ukraine for a Bible camp. Away from the stress of constant war around them they can relax and really listen as the Gospel message is shared with them and they experience the Love of Christ demonstrated by the church who is hosting them. You can help us feed these kids during the camp. To feed one of these kids costs about \$10.00/day.

5. *The Mahotkins in Chaplygin*

SOAR Missionaries Ruslan and Olya Mahotkin have served faithfully for the past 7 years in Providenya, Chukotka Russia. Due to family health issues they have recently moved to Chaplygin, Russia to plant a new church. We would like to encourage them as they expand SOAR's ministry into this new area. They have encountered moving expenses and had to purchase a van for this ministry. They are also still in need of monthly support. Your gift would be a huge encouragement to them.
