Baskets of Hope

The situation in the small disputed nation of Abkhazia appears very grim at the moment. Due to Covid-19, the already poor conditions have reached desperate levels as this poor nation does not have the resources to support the at-risk population (impoverished large families, orphans, and the disabled) in mandatory isolation.

In response to news of starvation, SOAR has created the Abkhazia Relief Fund for the distribution of food and necessary supplies through the Abkhazia church. This is an opportunity for the global church to come together in unity and support these members of the Body of Christ in demonstrating the love of God. Please pray for the situation in Abkhazia.

The coronavirus pandemic has delayed our *Baskets of Hope* project but our partners in Russia will distribute the *Baskets* to needy children when it is safe to do so. Please continue to pray for us as we try to meet our goal of 2500 *Baskets* this year.

Even though this is an uncertain time, we continue to put our Hope in the Lord. He is our Rock when circumstances threaten to overwhelm us. Please join us in praying for our government and health leaders as they make decisions during this time.

"I have told you these things, so that in Me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."

We are raising \$9,000 to keep the doors open at the ministry outreach center of the Gagra, Abkhazia church. They must complete construction of the Sunday school rooms, kitchen, and bathrooms or be forced by the government to stop outreach ministry. Would you help us with this vital need?
