CRISIS IN ABKHAZIA

In response to news of starvation in the small, disputed nation of Abkhazia, SOAR has created the Abkhazia Relief Fund. Through this fund and the donations given the Abkhazian church is able to help supply food to families who are starving due to Covid-19 restrictions.

We have received reports of the church helping needy, large families, at-risk children and orphans, and people who have come to the church for help. Please continue to pray for this situation in Abkhazia as it continues to develop.

BASKETS OF HOPE DELIVERED!

The *Baskets of Hope* project is beginning to move forward. Even though the orphanages are still on lockdown our church partners have been able to deliver the *Baskets* with Bibles to these precious children! What a blessing to be able to give hope to these children during this time of chaos! Thank you for being a part of giving this hope!

SOAR NEWS

SOAR is delighted to welcome the Garrison Family to Alaska at the end of this month. Wendell and Heather are a valuable addition to the staff at SOAR and we are excited to have them here working with us in Alaska. They joined SOAR in January and are now able to relocate to Alaska.

"Then your light will break forth like the dawn, and your healing will quickly appear; then your righteousness will go before you, and the glory of the LORD will be your rear guard."
