CRISIS RELIEF CAMPS IN ABKHAZIA

This month SOAR has the opportunity to safely provide crisis relief camps in four key locations in Abkhazia. We want to reach out to the children of the families who have gone without food and basic necessities when their entire country shut down and closed off from the rest of the world. The border re-opened on August 1st, so we can now send food and supplies

in for the camps and continue helping needy families. Please consider joining us in providing meals for these children and pray with us that many will hear the message of the Gospel. Our goal is to provide 50 meals each day (\$500/day) for 12 days of camp (\$6,000). Click here to help with these crucial camps: <https://soarinternational.kindful.com/?campaign=1082072>

We just received word that due to the Covid-19 pandemic travel restrictions, this year's Bible camp for Ukrainian orphans in Abkhazia has been postponed until next summer. Please continue praying for these precious children.

SOAR'S NEW HEADQUARTERS

SOAR is excited to begin the process of moving to a new building on the Kenai Airport that will be better suited for the future needs of SOAR! Please pray for God's provision of finances for our office remodel and construction of a new hangar facility.
