THANK YOU.

We are thankful for God working in many lives during our *Stuff A Stocking* distribution last month in Russia & Abkhazia! While our team from the USA was not able to travel this year due to Covid, our partners in these countries were able to distribute *Stockings* to many orphans and at-risk children! What a privilege to give many of these children their first Bible in their own language!

While this distribution looked different from other years, we are so excited to hear of the impact it is having in the lives of those touched by *Stuff a Stocking*. From **Ryazan, Russia** Anatoly Redin writes, *"But this time we saw their joyful eyes."* Anatoly and his team were able to personally deliver the *Stockings* despite any COVID restrictions.

While in **Abkhazia**, in the isolated village of Pskhu, our Abkhazian partners were able to deliver *Stockings*, Bibles and food parcels again this year. We were thrilled to hear our partners were able to continue that relationship with this remote mountain village!

We are grateful God has provided SOAR with partners like you. Words from Anatoly, *"May the Lord help us to work for His Glory, for these precious kids. May the Lord keep all of us."*

"Seek the Lord while He may be found; call on Him while He is near."
