### Happy New Year!!

I have just returned from Russia and our annual Stuff-a-Stocking (SAS) project. What an awesome time we had. Some highlights: I made personal contacts with all the caretakers, made new friends, reconnected with old friends, and most importantly I had the opportunity to share the love of God with each person I came in contact with!

Please keep all the children and caretakers that heard the gospel and received Bibles and stockings in your prayers.

I have set a new goal for 2020!! I want to pray for each of my prayer and financial supporters. I will be sending short prayer updates in between newsletters. If you want to be included please reply to this email with “yes” (so would you please send me your email address). If you ever have a prayer request please don't hesitate to email me. It would be my honor to pray for you.

I have been so blessed and humbled by my prayer and financial supporters. There are nights that I lay in bed and tears come to my eyes because of how BLESSED I am. I am forever grateful!! Thank you for being a member of my team.

**God is good all the time!! All the time God is good!!**

# What's Happening at SOAR?

## Prayer and Praise

### Praise:

- For the faithful financial supporters God has provided
- The blessing my prayer support team is to me
- AWESOME Stuff-a-Stocking project

### Prayer requests:

- God will add to my financial and prayer team
- Orphans and caretakers we were in contact with during Stuff-a-Stocking

**I am still short of SOAR's monthly support requirement. Would you prayerfully consider becoming a vital part of my team by supporting me monthly. I'd love to speak with you about my ministry!**

**Please call or email me today!**

## STUFF-A-STOCKING UPDATE

This year SOAR's Stuff a Stoking project touched over 4000 children in over 20 orphanages and churches. Praise the Lord! Thank you all who participated in this vital project to reach these children and their caretakers with the gospel. This year part of our team visited an isolated village in Abkhazia giving over 50 children to gospel and their very first Bible.

### What is next, you ask???

We are in the process of wrapping up Stuff-a-Stocking and gearing up for SOAR's Easter project, called Baskets-of-Hope (BOH). Russian Easter is celebrated April 19, a week after ours. If you know of an individual or a church that would like to participate in this project, please email me so we can contact them. This is another great opportunity to share the Gospel with children and caretakers in Russia.
