Blessed !!!

Where do I start? During this time of self isolation, I have had a VERY hard but blessed time. The first couple weeks of quarantine were really rough, but with God's help and friends it has been AWESOME!! Some might say how can it be rough and awesome at the same time? Well....one night I was lying in bed crying I was so lonely, tired of being at home.

The first thing I should have done was to pray but I was feeling sorry for myself but then I did begin praying. Ever since I began praying that night the only word that has been on my mind and heart is

BLESSED. A friend came over and said, "What do you want done in your house? I told her I wanted to paint my living and dining room

Prayer and Praise

Praise:

- For the faithful financial supporters God has provided
- The blessing my prayer support team is to me
- All the blessings in my life the past few weeks

Prayer requests:

- God will add to my financial and prayer team
- Our friends and partners in Russia and Abkhazia during this difficult time

I am still short of SOAR's monthly support requirement. Would you prayerfully consider becoming a vital part of my team by supporting me monthly. I'd love to speak with you about my ministry!

BASKET OF HOPE PROJECT

The coronavirus pandemic has delayed our Baskets of Hope project but our partners in Russia will distribute them to the needy children when it is safe to do so. There is still time to be a blessing to a child in Russia. You can go to our website: www.soarinternational.org and go to Baskets of Hope, or you can contact the office or myself. I will be glad to get you the information that you need. Let's be a blessing to these sweet children who love getting gifts!! Help us meet our goal of 2500 Baskets this year. **YOU WILL BE BLESSED!!**

The pictures below are from last years Baskets of Hope project. At each distribution the Gospel of Jesus Christ is shared!
