SHARING WITH YOU OUR SOAR EXPERIENCE

APRIL 2021

IN THIS ISSUE

Meet Dick and Kathy, the founders of SOAR Int'l Ministries, A visit with Heather McCoy (Redknap)

WELCOME SPRING?

Hello everyone! As you can see, spring is a little behind here in Kenai. We have been loving the winter lately though because we have lots of snow and days with the sun so much higher in the sky. It's a unique time. Sadie and I have been taking advantage of the snow and sun by x-country skiing at the Kenai golf course, where we have skied

past a moose having a snack more than once!

Wendell has been spending lots of time at SOAR. Currently, the Baskets of Hope project is under way. The goal of the project is to supply baskets/backpacks for the children in Russia and Abkhazia with little gifts, hygiene products, a Bible and other items the care-givers and pastors know the children need.

Here's a link for Baskets of Hope:

**SAY HELLO TO
HEATHER,
CODY, ALDER
AND BABY
WILLOW!**

MY VISIT WITH HEATHER

Friends are such a gift. God blessed us with Heather McCoy (Redknap) by introducing us in 2005. Heather was on our work crew at Rock Nest Ranch in Canada. She sported blue hair, and walked around with a video camera, capturing the people and memories of a summer at camp.

Fast forward 15 years. Heather is happily married to a wonderful guy named Cody, has a little boy, Alder and recently welcomed a sweet baby girl, Willow during a very scary stay in the ICU from the COVID virus. God blessed Heather and Willow with a quick and healthy delivery! Heather has an amazing story to share of God's peace and provision during that time. You can read all about her ordeal on her blog at:
3amtangents.wordpress.com

IT IS A PLEASURE

for us to introduce you to Dick and Kathy Page. Dick and Kathy founded SOAR Ministries in 1998. Dick and Kathy have welcomed us warmly to the SOAR team. They brought over a team of people to help us unload when we first arrived, have graciously opened their home to share holidays with us, introduced us to friends of SOAR, gave me a drive-by birthday when we all had COVID and have been helping us learn about the ministry of SOAR and how it all came to be.

Dick has a bag full of magic tricks and lots of fun stories from his many travels over the years while Kathy can be described as a warm hug with a huge heart for all people.
