

Ministry To The Children In Russia.

What's Happening with Miss Becky ? Happy Fall !!!

I love this time of the year when all the trees are changing colors!

God is doing great things in Russia, Abkhazia and Alaska!! Please keep praying for SOAR and the work that we are doing in this part of the world.

SOAR received some great news recently that Russia is beginning to open its borders!! Praise the Lord!!

In August, I visited my sister and family in Montana and had a great time. We even cut up 105 pounds of pickle cucumbers!! (some of you know how much I love pickles!!)

Future Site of SOAR Aero Center

SOAR held a ground breaking ceremony for our new building on the Kenai Airport. It is awesome seeing how God is doing great things for SOAR International Ministries. Picture on the left is the

staff at SOAR (yes it was cold AND windy!!)

Ukraine Camp and Stuff A Stocking

September 1-10, the Bible camp for orphans from the war zone in Ukraine was held in Abkhazia. My faithful prayer warriors, please be in prayer for these kids, as they return home that God's word would continue working in their hearts We will post some pictures on SOAR's website in the near future.

Now is that time of year when we are gearing up for our Stuff A Stocking Christmas project. If you, your friends or your church would like to participate in this awesome project you can contact me or reach out to SOAR's website at www.soarinternational.org.
