

## Ministry To The Children In Russia.

### What's Happening with Miss Becky

I love summer in Alaska with its long hours of daylight, water temperatures, yard work and fishing! The picture on the right is from a fishing trip with my brother in law in 2019 - FUN!!!!

At our SOAR office I am busy making phone calls for SOAR's Stuff a Stocking project, updating information, answering the phone and many other projects.

It is so exciting to see how God is moving in Russia and Abkhazia. Our SOAR partners are allowed to go into the orphanages again. During Covid they could only go to the front gate of the orphanages. GOD IS SOOOOOO GOOD!!

Our partners in Abkhazia will hold a Bible camp from September 1-15 for orphans from Ukraine. We are grateful that the Abkhazian church has received the necessary permissions to go forward with this camp. Please pray for these precious children who have been traumatized by the war in Ukraine as they are given this opportunity to experience the love of Christ and hear the Gospel message.

Below are maps showing where Abkhazia, Ryazan and Saint Petersburg are located.

## Summer Camp

Summer camps were held in Saint Petersburg, Ryazan, Abkhazia, and Chaplygin. Thank you for praying for the kids as well as the workers that ministered in these camps. The picture on the right is from the camp that they held in Ryazan in July
