

## Ministry To The Children In Russia.

### What's Happening with Miss Becky

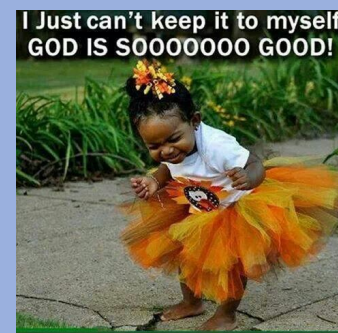

In memory of Mother's Day, my mom would always say "You are loved." I miss mom everyday but I know that she is in Heaven. May God use my life to show each child that I come in contact with in Russia and Alaska who I minister to that "You are loved."

Things are busy around the SOAR office. wrapping up the Baskets of Hope project, getting ready for the remodel, updating and sending out my newsletters and working on a video about my work here at SOAR.

Thank you to all my faithful prayer and financial supporters. You each me soooo much to me.

Please let me know what you think about receiving my newsletter this way or if you would like to receive a paper copy instead of email.

Love you all !!
