

## What's Happening with Miss Becky?

- I had a "little" visitor come and visit me the other day (see picture)
- This summer I plan to visit supporters and family in Canada, Montana and Michigan, along with my office responsibilities at SOAR.
- A lot is happening here at SOAR! We are tearing down old walls, painting, moving things from downstairs to upstairs. I didn't realize how much paperwork is involved in building, remodeling, etc.
- Please continue to pray for my friends and SOAR's partners in Russia, Abkhazia, Moldova and Ukraine where life is very difficult due to the war.
- Words can't express how much you mean to me. Thank you for your friendship, support, and prayers. I love you all
