

What's Happening with Miss Becky?

- This fall I traveled to Montana and Canada. What a joy it was to share the ministry of SOAR at Whitehall Assembly of God
- My sister and I traveled with me to Canada and we are so grateful we were able to have special time with my Uncle Ken (Dad's brother) before he passed away on September 30. I miss him terribly but I KNOW that I will see him again. We were also able to visit other longtime friends and family in Canada.
- This trip to Montana and Canada provided much needed rest and relaxation and I thank the Lord (Sorry for lots of pictures, well maybe not :)
- Words can't express how much you mean to me. Thank you for your friendship, support, and prayers. I love you all (2008)

What's Happening at SOAR?

Stuff A Stocking

While reading through SOAR's Stuff a Stocking history, I came across this note from a child at an orphanage in Russia. Little Anya was thrilled to find a Children's Bible in her stocking. She wrote, "When I came to this orphanage two months ago, I saw several of the other children had their own Bibles. Although I really wanted one for myself I never thought it would happen. Today is the best day of my life." You could be that person who makes a child like Anya have the "best day of my life." If you would like more information on how to sponsor a Stocking and Bible for this year's Stuff a Stocking outreach, do not hesitate to contact me!

Thank you so much to everyone who has prayed, supported and donated to SOAR's Stuff a Stocking project

CRISIS IN UKRAINE

SOAR continues to minister to Ukrainian refugees pouring into the country of Moldova. Our Assistant Director and his wife leave this week to help with the ministry and also make preparations for taking our Stuff a Stocking project there at Christmas. Continue to check out SOAR's Facebook page and stay tuned for more updates!!

Games with Miss Becky:

What was the first year that Miss Becky went on a trip with SOAR? The answer is somewhere in this newsletter.

Russian Fun Facts

In 1908, the Imperial Russian Olympic Team arrived in London 12 days too late for the games because they were not using the Gregorian calendar yet.
