

## What's Happening with Miss Becky?

WOW, where do I start!! Left Alaska January 1st, 2023 and arrived in Moldova January 3rd for SOAR's Stuff a Stocking outreach to Ukrainian children and families)

Some people have never heard of Moldova or where it is at so I've included a map (above) to show where it is at.

This letter will mostly be pictures of Moldova children and my new friends :).

During our time in Moldova, part of our SOAR team made a short trip into Ukraine to distribute Stockings and share the Gospel message.

Because of having Russian stamps on our passports, another team member and I could not cross the border. During that time we prayed for the team and also saw some of the sights in the city where we were staying.

Our SOAR team also took bags of food and needed items to poor families in Moldova, who were so very grateful.

The pictures below shows some of the highlights of this trip which include making new friends, helping our partners distribute Stockings and Bibles and sharing Christ with the refugee children who have had such difficult times.

Thank you to everyone who made it possible for me to go to Moldova. I am also so grateful for your faithful support, friendship and prayers in 2022!! Love you

## Traveling to Moldova with Stuff A Stocking

We delivered food bags to these 2 sisters who had very little and were so grateful (see above and below)

Went to Metro (like Costco) to get supplies for the food bags.

In the bags were: 2 bottles of oil, rice, flour, sugar, cornmeal, milk, noodles, and 3 types of canned meats

An awesome story: a grandpa took his grandson to church and when he heard that there was a letter from

someone in America he was so excited and said "I am never going to let go of this letter, someone wrote me a letter"  
Thank you once again for caring and sharing with these little ones

## Just love the smiles
