

### What's Happening with Miss Becky?

Since our last “visit” (newsletter) I have been busy giving updates on my trip to Moldova for Stuff a Stocking. Have you ever wondered where Moldova is? It’s west of Ukraine and 1000’s of Ukrainian people have fled there because of the war.

Moose frequent my front yard.

It’s spring in Alaska, though we still have about two feet of snow. The Northern Lights have been beautiful this spring and it’s been a joy to look at !

### What's Happening at SOAR?

Our SOAR staff has been working hard on SOAR’s Baskets of Hope (BOH) project - calling churches, sending out church promotional kits and preparing and sending out our BOH mailing for the project. If you would like to be included in our SOAR mailings or our church calls, please contact me. Our partners in Russia, Abkhazia and Moldova are just

completing the Baskets of Hope distributions, so please pray for all of the children who heard the Good News of Jesus Christ while receiving “Baskets”, Bibles and letters. I love seeing how God is at work through SOAR’s different outreach projects. God is good!!

### Abkhazia

In Abkhazia SOAR's partners held a youth conference early this month. We are excited to share that five young men and three young women accepted Christ as their Savior at the conference. Please pray for all of the youth who attended the conference that they can make an impact for the Lord on this small country.
