

What's Happening with Miss Becky?

Where was Miss Becky in May

During my trip to the lower 48, I had the privilege to go to my nephew's college graduation in California and traveled into Mexico. Then I had an unexpected flight delay and overnighed in Minneapolis where I had the joy of a visit with dear friends, Kevin and Donna Spence! From there I flew on to Michigan to visit my dear friends, Bill and Virginia and the Mangione family before driving on to Canada to see family, friends and visit churches. Thank you to everyone who made this trip happen and prayed for me!

Baskets of Hope Children's Letters

SOAR's Baskets of Hope project continued into May with our partners visiting many orphanages and needy families. Many of these children wrote letters back to those who sponsored Baskets and Bibles. I had the privilege of reading these letters that were written by the children, and each one touched my heart. Here are just a few of the children's letters:

"Today I was sad. It was raining and suddenly - gifts! It was joy! The mood became good. Thanks to you, kind people!"

"My name is Sasha. Thanks for your gift. We are very glad and miss you. Come to us. We wait for you!!"

"I am Maxim. I am glad for your big attention to me and my friends! I want to wish you health and wealth."

Thank you everyone who wrote a letter and sponsored a Basket and Bible!
