Baskets of Hope

SOAR'S *Baskets of Hope* PROJECT

Reaching one child at a time for eternity.

This Easter season you have the unique opportunity to reach out to needy children in distressing circumstances-some of whom have never heard the message of Hope during the Easter season. These forgotten children reside across Russia and in communities in Abkhazia. SOAR International Ministries helps to reach orphans and at-risk children through their *Baskets of Hope* Project. This project is bringing hearts to the Savior through the Hope of the Gospel message.

You can get involved by praying, sponsoring a *Basket* with Bible, and writing a personal letter to the child who will receive the *Basket*. You are encouraged to write letters to the children using the SOAR "*letter insert brochure*" or by downloading one from SOAR's website at <https://soarinternational.org/boh>. These gifts will be personally delivered by SOAR staff or their Russian partners. Please visit the *Baskets of Hope* display to get more information on how you can be involved. For more information contact SOAR at info@soarinternational.org or 1-888-388-7627.
