
SOAR's Stuff A Stocking Project

Reaching one child at a time for eternity.

During the Christmas season, SOAR International Ministries provides a unique opportunity for (*Insert name of church, small group, etc.*) to make an eternal difference in the lives of children who live in orphanages, shelters, refugee camps and cities destroyed by war. SOAR partners with pastors in the countries of Russia, Abkhazia, Moldova & Ukraine to bring hearts to our Savior, Jesus Christ with the Gospel message which is shared with every stocking.

Each stocking is filled with a Bible in the child's own language, a needed item such as clothing, school or personal care items, a sweet treat and a personal letter. The distribution of stockings creates an opportunity to share the true Christmas story as well as bring true joy in Christ to those who have no hope.

Become a part of the *Stuff A Stocking* project: You can sponsor a Christmas stocking and Bible for a child, write a personal letter, and pray for those touched by the project. These gifts will be personally delivered during the Russian Christmas season in January 2025.

Please visit the *Stuff A Stocking* display to get more information on how you can be involved. You can also visit SOAR's website at www.stuffastocking.org or call their office at 1-888-388-7627.

Partner with us as we reach one child at a time for eternity!
