**SOAR**  
International Ministries

DEAR FRIENDS,

During the Christmas season we celebrate God's ultimate gift to us, Jesus Christ. We are blessed to partner with pastors & believers in Russia, Abkhazia, Moldova & Ukraine sharing the Gospel message. The war has greatly impacted our SOAR partners. This Christmas catalog gives ideas of how you can encourage these servants of God and also be a blessing to SOAR. 100% of your gift is applied to the projects you choose.

We wish you a joyous Christmas season!  
You are such a blessing to us.

Merry Christmas!

# STUFF A STOCKING

During the Christmas season SOAR reaches out to orphans & at-risk children in Russia, Abkhazia, Moldova and Ukraine with our Stuff a Stocking project. As we partner with local churches in this vital outreach, your gift will provide Stockings with Bibles, and the Gospel message to these precious children who live in orphanages, shelters, refugee camps and cities destroyed by war.

**Stocking with a Bible: \$40**

# GENERAL FUND

**Suggested Gift: \$100**

Your gift to SOAR's General Fund helps cover critical operating expenses at SOAR. It also allows us to help with the essential needs of our ministry partners. All year we assist with Bible camps, building projects, medical needs, travel costs and many other ways to encourage these pastors. Consider a gift to SOAR's General Fund this Christmas.

## Bibles for Children:

A priority in every SOAR project is getting the Word of God into needy hands. Help us provide Bibles as a part of every outreach.

## St. Petersburg

Their love and generosity spills over to everyone around them in the communities of Abkhazia where they serve. Roma is currently in need of some major dental work. Please consider giving Roma a "new smile" with the funds needed for the necessary dental work.

# MOLDOVA & UKRAINE

## Bridge of Hope Ministry

works tirelessly to provide food baskets for families in Moldova and Ukraine who are displaced or cannot work due to the war or other unforeseen circumstances. At this time, they have a huge need for a very large generator to help keep the bread ovens working in Ukraine. With the help of SOAR they were able to purchase a second bread oven which allowed them to go from baking 1,000 loaves a month to 9,000 loaves a month. Please consider giving to this "bread of life" ministry.

**"More than food or any aid, we need a generator. The energy system is attacked daily, and there are sometimes a few days without electricity."**
