Bringing Hope

Sharing Christ in Russia, Abkhazia, Moldova, & Ukraine — May 2026

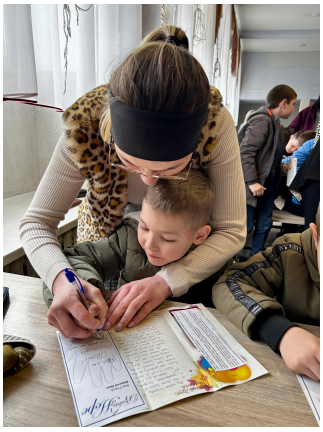

Baskets of Hope Distribution

SOAR's *Baskets of Hope* project has been an incredible display of God's faithfulness as He supplied all our needs. The Body of Christ came together to bring gift-filled *Baskets* with Bibles to children in Russia, Moldova, and Ukraine alongside clear presentations of the Gospel message. We give God all the glory!

'We will never cease to be grateful to you for the opportunity to bring gifts and Bibles to so many orphans in Ryazan. One older boy, quite a big fellow, accepted his Bible in such a touching manner, saying: "This has been my dream since I was very little. Now I will read it myself, and I will read it aloud to others." Glory be to the Lord!' **- Pastor Anatoly (Ryazan, Russia)**

Please keep the children who received a *Basket of Hope* in your prayers that the Word of God would bear fruit in their lives. We praise God for the privilege of ministering to these children and for our faithful partners persevering in the work of the Gospel.

Stories from Ukraine

Peter and his family lived in Kherson, Ukraine. One morning, a couple of weeks before Easter, as he was stepping out of his home, he was suddenly conscripted to serve in the Ukrainian army. His wife and two children then left Kherson because of the danger and fled to Chernivtsi, Ukraine, as war refugees.

Peter's wife and children now live in an unfinished apartment, not knowing where or how Peter is doing. Oti, from *Bridge of Hope* ministries, wanted to share *Baskets of Hope* with their children, so we took two *Baskets* to them. The Lord met this mom and her children with His hope, bringing joy, in the midst of their circumstances.

At a Ukrainian orphanage: All the children and mothers in the orphanage are refugees from Kherson. The orphanage includes a health clinic, a building that houses children with disabilities, and another building that houses children orphaned by the war, along with women who became mothers after being violated by Russian soldiers.

This orphanage also has a program that trains dogs for therapy work. They currently have more than 40 dogs either in training or already in service.

SOAR was privileged to share Baskets of Hope here alongside our partners, Bridge of Hope Ministries. With your support, all of the children received a basket with a Bible and heard a fun presentation of the Gospel message.

Verse of the Month:

"How good and pleasant it is
when God's people live together in unity!"
