Bringing Hope

Sharing Christ in Russia, Abkhazia, Moldova, & Ukraine

June 2026

Church Outhouse Project

Thank you to everyone who helped fully fund the Child-Friendly Outhouse Project. During our Baskets of Hope distribution, we shared baskets at a church in the small village of Crasnosheny (Crăsnășeni), Moldova. The church had just begun building an outhouse for the children and congregation to use when they ran out of funding. Because there are no public restroom facilities in this small village, this project is an important need for the church and community.

Thanks to your generosity, we will be able to send the funds needed to finish this small but very important addition for the congregation. Thank you for standing with this pastor and our Moldovan brothers and sisters in Christ.

Summer Bible Camps

Summer Camp season is an exciting time of fun and fellowship for young campers. Summer Bible camps are a p owerful and transformative time for youth during which they are very receptive to hearing the truth of salvation in Jesus Christ.

Every year, SOAR comes alongside our partners to encourage and equip them to host summer Bible camps to reach the next generation. Would you prayerfully consider supporting our Summer Outreach Fund? You can help the fun happen here: soarinternational.org/SummerOutreach.
