

## *Happy New Year!*

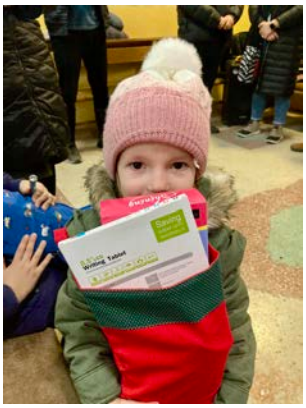

Thank you for supporting SOAR in 2024! Your partnership has been a tremendous blessing and encouragement to us. Only together can we fulfill the Great Commission of Jesus Christ to the people of Russia, Abkhazia, Moldova and Ukraine by coming alongside of, encouraging, and equipping believers to reach their own people for Christ.

Your support has made an incredible difference to thousands of families and at-risk children. Together, we have fed the hungry, comforted the widow and orphan, encouraged the local churches, and shared the Gospel with the lost and hurting. Thank you!

## *Stuff A Stocking Distribution*

In Russia and Abkhazia: SOAR partners are distributing *Stockings* with Bibles this month and we are receiving wonderful reports of their visits to orphanages. Our good friends Pastor Anatoly in Ryazan and Pastor Vlad in St. Petersburg are overseeing distributions there, while Bishop Ivan is organizing distributions in Abkhazia through local pastors.

In Moldova and Ukraine: SOAR's ministry team led by Wendell and Heather Garrison traveled to Moldova for SOAR's *Stuff A Stocking* distributions. They had a wonderful time distributing *Stockings* with Bibles and sharing Christ's love with at-risk children. They returned safely from this amazing trip on January 14th. Thank you for praying for their safety during this time of sharing Christ's message with at-risk children in this unstable region. SOAR partner Oti Namesnic was able to take 500 *Stockings* with Bibles into the Kherson region in Ukraine by armored vehicle.

Prayer Requests:

- For God to work in the hearts of kids who received a *Stocking.*
- For more staff and for SOAR's internship program.
- For SOAR's fruitfulness in 2025!

Praises:

- God's faithfulness to SOAR over the last 26 years!
- Stuff A Stocking being taken to Russia, Abkhazia, Moldova and Ukraine!

**Priority Project:**

*Transnistria - Air Conditioner/Heater*

A church in Transnistria needs an electric air conditioner/heater. While they don't have gas for heat, they still have some electrical power. Due to the situation there, we cannot disclose the name of their church or pastor. However, we have personally authenticated the situation.

We need $2,200 to meet this need. This unit will heat their small church and provide some relief for the local community. You can prayerfully consider giving to the project by mail or online here: soarinternational.org/heater.
