

Baskets of Hope

There is still time! *"We are in full swing preparing for Easter visits to orphanages. We hope that we will have a very blessed time at the Basket of Hope for Orthodox Easter 2024! We are grateful to the Lord that we were able to … buy backpacks for each of the children in the orphanage. And this time it is a special joy for us that we can give every child: every boy and girl new shoes." - Pastor Anatoly (Ryazan, Russia)*

You can give with confidence as 100% of your donation goes towards the *Baskets* with Bibles. We still need approximately 300 more *Baskets* sponsored in order to have enough to go to Russia and Abkhazia as well as Moldova and Ukraine. Please prayerfully consider helping us reach these precious at-risk children: soarinternational.org/BOH

- $150 per month plus $250 for visa paperwork. Total: $2,050

Samuel Friedman is a young man from Uzbekistan who is currently serving as a missionary in Gudauta, Abkhazia. After graduating from the Christian University in Moldova, he was invited to serve alongside SOAR partners Roma and Alona in Gudauta. He has proven to be a very valuable asset to their work.

Today, Samuel is responsible in the church for the development of music and youth ministries. Samuel lives on the church property and is ready to continue his ministry there. In order for this to happen, he needs financial support.

Abkhazia Youth Conferenc

- $2,000 for impoverished teens to attend. Includes food and other necessary expenses.

Our partners in Abkhazia are hosting a youth conference to reach the next generation with Christ's love and truth.

An exciting program is lined up for them with plans for evangelism, discipleship, worship and exciting games. Most importantly, God's Word will be shared with the youth. In the past, several teens have been saved through these youth conferences.
