Summer Bible Camps

The summer Bible camp season is underway and we are excited to see what God will do in the lives of the next generation. God is pursuing their hearts with His steadfast love. These camps share God's Word which never returns void.

SOAR is privileged to come alongside our partners to encourage and equip them to host summer Bible camps. A huge thank you to everyone who has supported these camps. As always, 100% of your donation goes toward whatever project you designate.

Abkhazia Missionary

Together, we supported a young missionary to Abkhazia from Uzbekistan last year. Samuel Friedman has been an incredible help to ministry in Abkhazia working alongside Pastor Roma for the last two years since graduating from the Christian university in Moldova.

Samuel is the leader of the worship team and serves in local ministry and social assistance outreaches. He is a crucial aid to Pastor Roma who has recently been dealing with a severe eye illness.

SOAR would like to continue supporting Samuel's modest needs so he can continue ministering in Abkhazia and assisting Pastor Roma. Together, we can raise $200/month of support equaling $2,400 for a year. Please prayerfully consider supporting Samuel Friedman here: soarinternational.org/missionary

Priority Project:

Abkhazia Missionary: Samuel Friedman

Hi, my name is Samuel and I am from Uzbekistan.

I have been serving in a church in Abkhazia for two years now. I am the leader of the worship team. As a team, we have become family, and the musical and vocal level has grown. Little by little, our equipment has become more professional. We have general youth events every month and conferences every year. Our team is actively involved in music ministry. In addition to worship, I serve in everyday life and social ministry.

Plans for the future. 1. Write more songs. 2. I want to see young fans in Abkhazia who give their lives to Jesus and seek to meet him. At the moment, we are improving the quality of musical and vocal gifts.

How was this year. Last year, thanks to your help, God blessed me with new vision. I went with a pastor to Krasnodar and had my vision corrected in a good clinic. Also, during this time, for money, I made a work visa for a year in order to legally stay here.

Your help is important to me. I am grateful to God that he disposes your hearts to finance my life in ministry. And I am grateful to everyone who donates to my development and ministry. May God bless you abundantly.

Together, we can raise $2,400 for $200/month of support for a year. Please prayerfully consider supporting Samuel Friedman here: soarinternational.org/missionary
