

General Fund

Your financial gifts make an incredible difference here at SOAR. We cannot overstate how we rely on generous supporters like you to continue serving our risen Lord. Your generosity empowers us to equip and serve Christ's church in Russia, Abkhazia, Moldova and Ukraine. Together, we reach orphans and at-risk children with Christ's love and truth, encourage churches facing hardships and struggles, and bring relief to those in need.

SOAR's *General Fund/Where Needed Most* is crucial for keeping our office functioning and supplied, allowing us to focus on the work of the ministry. This fund enables us to make sure 100% of project funds are dedicated for their intended purposes and helps us address unexpected needs and project shortfalls. A heartfelt thank you to all our generous partners for enabling us to serve with financial integrity. Please prayerfully consider partnering with us at: soarinternational.org/general.

Stuff A Stocking Preparations

We are excited to begin our 23rd annual *Stuff A Stocking* project. Our preparations have begun to share Jesus Christ with orphans and at-risk children this Christmas through gift-filled *Stockings* with Bibles. Please prayerfully consider sharing about Stuff A Stocking with your church and friends. We would be thrilled to share promotional material with you.

Priority Project:

SOAR General Fund

SOAR's General Fund is vital for covering operating expenses at SOAR, and supporting the essential needs of our ministry partners. Throughout the year we assist with Bible camps, building projects, medical needs, travel costs and many other ways to encourage these pastors. Together, we can effectively share Christ in Russia, Abkhazia, Moldova and Ukraine.

Having monthly partners significantly enhances our financial stability. Your recurring donations are an incredible blessing for SOAR. Please consider selecting 'Recurring' when making your contribution to help sustain God's ministry here at SOAR.
