

Abkhazia Camp for People with Disabilities

SOAR is honored to continue supporting our partners in Abkhazia annually as they provide a Christ-centered camp for people with disabilities. This year, the Abkhazia Bible camp for people with disabilities will take place October 27-30.

Teen and adult campers come with care-providers and family to spend time learning about Christ, worshiping together, and participating in fun activities and games designed just for them.

A large group is expected this year, so the facility rental and camp expenses will be $5,000. Please prayerfully consider donating soarinternational.org/disabilitiescamp.

Stuff A Stockina

We have began our preparations for this year's *Stuff A Stocking* outreach to the children of Russia, Abkhazia, Moldova and Ukraine. We have the privilege to partner with pastors and missionaries in these countries to distribute the S*tockings* with Bibles to children in churches, orphanages, and schools. These *Stockings* are filled with toys, daily essentials, and most importantly, a Bible in their own language.

Our goal for this year is 3,500 *Stockings* with Bibles, to share the love of Jesus and spread the Gospel this Christmas. If you would like to get involved, please consider partnering with us by sponsoring stockings, sewing stockings, praying, or spreading the

Priority Project:

Abkhazia Bible Camp for People with Disabilities

SOAR has the joy of supporting our partners with Abkhazia's Bible camp for people with disabilities on October 27-30. We are blessed to encourage the campers and their caregivers through this outreach. This strengthens our partners in Abkhazia to continue to be a light for the Gospel.

These wonderful campers experience the love of Jesus through hearing His word, fellowship, and games designed just for them. We need to raise $5,000 for facility rental and camp expenses.

Would you prayerfully consider partnering with us to share the love of Jesus with people living with disabilities? You can make a difference and donate here: soarinternational.org/disabilitiescamp
