Bringing Hope

Sharing Christ Together

Stuff A Stocking

A *Stocking* with a Bible is a powerful gift that demonstrates the love of God to a precious child. Each *Stocking* declares that God is pursing *them* and that He cares about the simple details in *their* life. Every *Stocking* is hand delivered with a Bible alongside a fun presentation of the Gospel message. Each child *hears, feels, touches, tastes, sees, and reads* the glorious Truth of Jesus Christ.

This Giving Tuesday, December 2, with **Matching Funds** available, we are asking God for 1,000 *Stockings* with Bibles to distribute to at-risk children and youth in Moldova and Ukraine. You can bring hope to refugee children and kids living in war-zones through the humble yet powerful gift of a *Stocking* with a Bible.

Abkhazia Camp for People with Disabilities

Last month, SOAR was privileged to assist our Abkhazian partners in hosting a Bible camp for teens and adults with disabilities. The camp shared the love of God and His Truth with these campers and their caregivers who attended with them. We give God all the glory for the lives impacted through this outreach.

Thank you for helping make this camp possible! *Please keep these campers and their families in your prayers.* You can see more pictures from the camp on our Facebook page: facebook.com/soarinternational.
