International Ministries

Dear Friends

As we celebrate God's greatest gift—Jesus Christ, we are grateful for your partnership in coming alongside pastors and believers in Russia, Abkhazia, Moldova, and Ukraine to help share the Gospel in their counties. Despite the challenges of war, they continue to faithfully serve their communities.

This Christmas Catalog offers meaningful ways to encourage these servants of God while supporting SOAR's ministry. Every gift makes a direct impact, with 100% of your donation applied to the project(s) you choose.

We pray you and your family have a joyful and blessed Christmas!

Merry Christmas!

Stuff a Stocking

During the Christmas season, SOAR brings hope and the love of Christ to orphans and at-risk children through our Stuff a Stocking project. Working alongside local churches, we reach precious children in orphanages, shelters, refugee camps, and communities impacted by war in Russia, Abkhazia, Moldova, and Ukraine.

Your gift helps fill each stocking with a Bible and the Gospel message—sharing the hope of Jesus with children who are facing difficult circumstances. Together, we can show these children that they are loved and cherished.

Give today and help us Stuff a Stocking with hope this Christmas!

Bibles for Children

At the heart of every SOAR outreach is a desire to place God's Word into the hands of those who need hope most. Your generosity helps make that possible by providing Bibles to children, families, pastors, and the communities we come alongside.

Help us put the hope of God's Word into more hands through every SOAR outreach.

St. Petersburg

Pastor Vlad intentionally planted his church across the street from an orphanage so he and his congregation could build ongoing relationships with the children and share the love of Christ with them. Today, his church has a vibrant and growing children's ministry that is reaching many young lives.
As this ministry continues to grow, the church has some important practical needs, including a new computer and assistance with vehicle repairs.

Your gift can help equip Pastor Vlad and his church with the tools they need to continue serving children and sharing the Gospel in their community.

"Hi Friends, hello everyone. We're reaching out with a request for help. Our ministry needs a computer and equipment - car repairs, maintenance, spare parts, and other necessary work— If you are able to contribute, we would be very grateful. Thank you for your response and support." Pastor Vlad

Pastor Yuri & Wendy

Pastor Yuri and Wendy serve faithfully alongside Roma and Alyona, working in close partnership to minister to and care for the communities in Abkhazia. This winter will provide a welcome opportunity for Yuri and Wendy to step away from their regular responsibilities and enjoy a much-needed season of rest and renewal in Tbilsi, Georgia.

During their sabbatical in Georgia, they are also hoping to take care of some important personal needs that have been difficult to address amid the demands of ministry. In particular, they hope to finally receive some much-needed dental care.

Please keep Yuri and Wendy in your prayers as they prepare for this time away. *Pray that their sabbatical will bring physical restoration, spiritual refreshment, and renewed strength for the work ahead.* **May this season be a blessing to them as they continue serving alongside Roma and Alyona and caring for the people of Abkhazia.**

Due to an increase in war activity, *"We had to close the bakery in Kherson … and move everything to Cernatuti. One of the ovens had baked 120,000 loaves of bread and is no longer useable. We plan to buy another oven and start to bake bread in Cernatuti. There are a lot of expenses…such as electricity, flour, pans, etc." Oti Namesnic*

Ryazon Transition Home

"Thank you for asking about a special need. Our deacon, Anatoly, has been a faithful and greatly valued volunteer since we opened Transition Home 2. He serves as a driver when we visit orphanages and helps in every area of our agricultural work, including the walnut trees and vegetable garden. He is also the only one who operates our tractor, which is essential for many of our projects.

Anatoly supports a family of eight, and in recent years, several kind people have helped provide for his family. Sadly, due to the death, health, or financial circumstances of his supporters, that support has recently come to an end.

While Anatoly could find work elsewhere, losing him would be a significant loss to the ministry. Our prayer is that we might find monthly support for Anatoly so he can continue serving faithfully here."

The Mahotkins

Pastor Ruslan and his wife, Olya, serve in Chaplygan, Russia, where they faithfully minister to others through their home and daily lives. Gardening and canning are essential to helping provide food for their family throughout the year.

Recently, Olya's food processor broke, making this important work more difficult. Replacing it would be a tremendous blessing and a practical way to support their family.

They also have a need for a new kitchen sofa, which would provide additional seating as they welcome and host people in their home as part of their ministry.

Meeting either of these needs would be a meaningful blessing to Ruslan, Olya, and the people they serve.
